

Lesson idea: Home and Local Environment

Age group	12-13 years
Language	French
Topic	Home and Local Environment
Expected Learning Outcomes	Pupils will be able to: - use their knowledge of town vocabulary and phrases to create a tourist leaflet for their chosen town in France
Digital technology activity	Pupils use their iPad to access and save the task instructions, to research their chosen town according to the requirements of the success criteria and select relevant information to produce and illustrate a tourist information leaflet.
Digital technology resource(s)	iPad (research and Pages)
Duration of activity	1-2 lessons plus homework time
Assessment	<ul style="list-style-type: none"> - Explore: how accurate is the pupil's research in line with the task requirements - Express: how well presented is the pupil's work in terms of clarity for a tourist - Evaluate: the pupil completes a short questionnaire outlining how they approached the task, any difficulties they encountered and what they did to overcome them and how they would do a similar task differently in the future - Exhibit: the pupil prints out their tourist leaflet
